Fun Club Infor

Here are the results of our election:

President-Joanne Hodges
1st Vice-President-Jim MacDonald
2nd Vice-President-Pat Harrington
Secretary-Mary Jane Rettig
Treasurer-Barb Woodruff

The recipient of the President's Award this year is Jackie Peach. She was recognized for her many talents. Jackie can always be found behind the scenes working quietly and diligently, many times volunteering before being asked. She has worked as a Section Leader, on the Directory as well as worked and chaired many of our pot lucks. Jackie's willingness to go beyond the "call of duty", contributing her time and talents to make Lake Bonnet Village a better place is why she was chosen for this year's award.

I want to give a special **THANK YOU** to everyone for working with me and helping me for the past two years as president of the Fun Club. I have enjoyed the experience but am ready to pass it on to the new president, Joanne Hodges. I especially want to thank those folks that served on the Board with me. The work they have done is tremendous and we could not have been able to accomplish the many things that we did without them. **THANK YOU.**

Betty Church

We would like to encourage everyone to strive to work as a team and make the Fun Club and Lake Bonnet Village the best ever. We need to have everyone to help us do this.

It is amazing that the Winter has gone so fast. Some have already gone home and more will be going this month. We want to wish everyone a good and healthy Summer and hope to see everyone back in the Fall.

President, Joanne Hodges

Thoughts To Remember

Our greatest triumph is rising every time we fall.

Think all you speak, but do not speak all that you think.

Money isn't everything but it sure keeps the kids in touch.

Grandchildren certainly brighten up the home. They never turn off the lights.

Middle age is the awkward period of life when father time starts catching up with mother nature.

True friendship is like good health—the value of it is seldom known until it is lost.
